For most weddings & receptions, we recommend that you hire a marquee for the Walled Garden, which can accommodate approx. up to 150 people. This gives a covered space for your drinks reception and a covered turnaround space if required after your meal and before your evening party. We also ask that you hire luxury loo trailers for your event – please contact Charlotte for details on preferred suppliers.

The Ballroom comes with a double bedroom & en-suite bathroom for the bride / groom to use on the wedding day and also to stay in for the wedding night if wished at no extra charge.

There is a designated kitchen for the caterers to use for events in the Ballroom, although a field kitchen will be required for marquee events with over 80 people.

Please note access to the gardens and to the house itself are not included in this hire rate, although the Bride & Groom may have some photos taken in front of the house & gardens for a 30 minute period.

Parking is to the rear of the property in a field and access is via a side road.

For exclusive whole house take-over weddings, please speak to Charlotte, our Events Director, for more details on 01608 698673 / email charlotte@cornwellmanor.com

Access to the Ballroom will be from 9am with the hire period terminating at midnight.

We ask that you use our caterers for your Wedding Breakfast, Ross & Ross Food, <http://www.rossandrossfood.co.uk> a multi-award winning fine food company based 5 minutes from us in Chipping Norton. Ross & Ross will run the catering and the bar for you on your big day; Cornwell Manor has an in-house wine list and does not offer BYO. Please note the Ballroom & walled garden are hired unfurnished. Ross & Ross Food can quote for table & chair hire as well as table settings in addition to your menu rates.
